### HEADMASTER'S ANNUAL REPORT:

### ROLL:

The School roll at the beginning of this year was 1,035 - a figure almost unchanged now for several years, despite what was a very buoyant labour market earlier in the year. Whether present uncertainty in the business world will give us a higher retention rate for next year remains to be seen, but it is already very apparent that demands from employers for higher academic qualifications are again with us.

The third form enrolments for 1975 are 280 and this will give us the largest third form since 1968.

### FXAMINATION RESULTS, 1973:

School Certificate (candidates) gained 159 group passes from 228, a 70% pass rate.

University Entrance gained 119 passes from 170 candidates, also a 70% pass rate. John Hosking and Peter Hos gained Scholarships, and there were 23'A' Bursaries and 25 'B' Bursaries from 75 candidates, a 67% pass rate.

All of these results represent a standard well above the National average, and reflect a very high attainment level in the School.

### STAFFING:

There will be several staff changes for next year:
Mr. Salter will be overseas on leave of absence for 1975,
and Mr. Matthews and Mr. Mathewson will be leaving to
travel overseas. Mr. R. Smith will be moving to Christchurch,
and Mr. Mitchell, Mr. Dowling and Mr. Dwyver will go on
promotion to other schools. Mr. Calder and Mr. Horne
will go to country service positions, and Mr. Davies to
University studies.

Teachers who have been in relieving positions with us during the year and who will be leaving, are Mr. Lister and Mr. Maskell.

New teachers commencing next year are Mr. Byrne from Gisborne Boys High School, Mr. Ross from Pakuranga College, Mr. Reynolds from Mt. Roskill Grammar School, Mr. le Mesurier from Lynfield College, and Mr. Ward from Bruce McLaren Intermediate School. From Auckland Teachers' College will come Mr. Peter Rea and Mr. Graeme Bean, both ex-pupils of Westlake, and we extend to them a special welcome.

There will be two further appointments pending.

To the Staff who are leaving I would offer our Best Wishes for a successful career in the future, and to all Staff members, my thanks for another year of loyal and valued service to the School. A large majority of our students can and do look back, I am sure, with gratitude for a very successful balance between academic attainments, and a wide range of extra-curricular sporting and cultural activities which have involved most staff members in a great deal of voluntary effort.

The end of this year will mark the retirement of our Deputy Headmaster, Mr. Tweedie, after sixteen years of service to Westlake, and earlier service at Stratford, Greymouth, Northcote and Waipu, and overseas with the New Zealand Expeditionary Forces during the War.

All of this service has been characterised by a dedicated and total willingness to give of his services in all facets of school life, and the wide coverage we have been able to offer in both the curricular and extra-curricular fields owes a great deal to the leadership and enthusiasm displayed by Mr. Tweedie - if a professional attitude means leadership by example, then many of us are much richer for having worked with him. Mr. Tweedie, we wish you a long, healthy, and well earned retirement.

Mr. Tweedie's place will be filled by Mr. Charles Loretz, at present Head of Mathematics Department at Rangitoto College, who has had a wide experience in School administration.

### GROUNDS AND BUILDINGS:

3

Although no changes have taken place, the School has recently received from the Education Department the School's Development Plan which will enable further planning to proceed. This will eventually include a further six classroom block, an audio-visual room, a drama room, a manual workshop, a second music specialist room, and conversion of present facilities to give two Science laboratories, technician and laboratory stores, resource rooms, and additional office space.

The grounds are showing a gradual improvement with the drainage scheme giving at least some relief, and re-sowing is giving a better surface.

A sub-committee of the Board, P.T.A., Staff and Pupils is at present doing preliminary planning for a proposed student centre to provide additional recreational facilities and a cafeteria for the school - a project which would provide badly needed amenities to improve the quality of leisure time for our students.

### BOARD OF GOVERNORS:

Mr. Potter, the Auckland Education Board representative, has resigned after four years service which has been sincerely appreciated, and his place has been taken by Mr. O. Rutledge to whom we extend a cordial welcome.

Both Staff and Pupils are grateful to the Board for their continuing close interest and active liaison in all matters of common concern.

### SPORTING AND CULTURAL ACTIVITIES:

The School has again participated in a very wide range of sporting activities involving extensive staff supervision of weekend activities.

Honours have been gained by our Senior Rowing VIII in again winning the Head-of-Harbour Event for the sixth time in the past nine years, and several teams have gained placings in inter-school competition in other sports.

Our School Orchestra and Band have gained widespread recognition, and second place in provincial competitions during the year. The Band carried out a very successful tour of Northland Schools. Scott Colhoun gained the honour of first place in the Junior Cornet Solo in the National Bands competition.

The Business Management Team gained first place in the provincial competition, and second place in the National final.

Merit awards in the Auckland Secondary Schools' Art Exhibition were gained by Mark Hampson, and a team effort by Stephen Weaver, Lyall O'Brien and Stephen Maxwell.

In the Auckland Secondary Schools' Science Exhibition, Derek Taylor of the 7th Form won the Senior Individual Physical Science Prize. Chris Barrett was awarded the Highly Commenced Technological Prize.

The Junior School earned \$2,300 for the "Save The Children Fund" during their second term fundraising, an effort which drew widespread commendation, as it resulted from productive effort rather than sponsored futilities - a new innovation which has given considerable satisfaction to a group from our senior Liberal Studies Course which has been a Community Service programme of assistance to the aged and infirm.

The Student Council organised a very well presented display and programme during Environment Week last term. It showed a mature depth of awareness and organising ability which brought favourable comment from all who were able to see it.

Time does not permit this report to give detail of a large number of other activities which form part of a well balanced educational programme, but I cannot

speak too highly of the tremendous contribution made by Staff, Parents and senior boys to these activities.

Over the past two years, the Eduational Development Conference has been considering a widespread broadening of the syllabuses in Education, and much of this has been directed at Secondary Schools. In addition the Education Review Committees have been under organisation in Secondary Schools where, at professional level, teachers are to be asked for a self examination of their aims, objectives, and teaching programmes. The Minister of Education has directed that schools are to be closed for two full days for this to take place, and consequently junior classes will not be held on two days between now and the end of the year.

It would seem to me that any radical change in curriculum is unlikely while the senior work in Schools remains dominated by the external examinations of School Certificate and University Entrance. Liberal Studies programmes have met with only limited success because our students understandably give them only a second priority in their efforts, and any broadening of this programme will remain restricted while the status quo pertains.

However, much is being done, and can be extended, to give a more imaginative and exploratory approach to many areas of the curriculum. In the field of adult education our district would appear to be well served by an evening class roll greater than that of our day school, and this field is capable of further extension.

(R.W. MacMillan) Headmaster.

### STUDENT COUNCIL REPORT - 1974.

Throughout 1974, in contrast to previous years, the Student Council seemed to adopt a more responsible attitude towards the role it plays in school affairs. Many of the trivial matters which have plagued earlier Councils were swept aside in an attempt to tackle more urgent problems such as the shortage of sports equipment, and of course student apathy. I am happy to say that by the end of the year both these problems were in fact well on the way to being solved.

This year saw the creation of an efficient sports committee which, with the aid of a \$300 grant, improved the school's sporting facilities tremendously. As this grant is to be made annually, (we hope that 1975 will see at least \$500) the future looks bright.

However, it was the Social Committee which made the most headway. Under the Chairmanship of Peter Kingett the Social Committee did much to foster interschool ties. Apart from the usual dances, the Social Committee organised coffee evenings, weekend trips and a number of 'pop' groups for lunch-time entertainment. These have proved so popular that I would consider them an essential part of next year's social calendar. The highlight of the social scene was of course, the Ball. The Ball this year not only made a substantial profit, but was also undoubtedly the most successful in the School's history. Special thanks must be given to Mr. Nield who was the Staff overseer for this year's Ball. Without Mr Nield's wise judgement and constant encouragement the Senior Ball would not have been the tremendous success it was.

Mention must be made of Environment Week which was a project conceived and supervised by Zane Burdett. Environment Week was a display showing Man's effect on his native environment and how we can preserve what we still have.

Regular meetings were held throughout the year with the Board of Governors to discuss the most important issues put forward by the Student body. It was apparent that a greater level of understanding was reached this year between both parties, almost certainly a result of the Council's more responsible attitude referred to earlier. The most notable achievements here include optional uniform and optional attendance for 7th Formers.

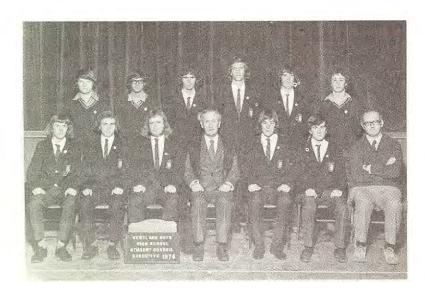

Progress on the building of a Student Cafeteria was, however, disappointingly slow in getting under way, due mainly to the uncertainty of what type of facilities such a centre should provide. Nevertheless, by November much of the ground work had been completed, paving the way for the completion of the cafeteria plans some time in March or April 1975. The subsequent fundraising which will be required will create an unprecedented opportunity to bring the school closer together, thus ending forever the stigma of student apathy.

6

As in previous years, close co-operation was also maintained between the Students and Prefects resulting in many well organised activities such as the Westlake v Takapuna Grammar Raft Race.

To name each individual who contributed to the smooth running of the 1974 Student Council would be an impossible task; but I feel I must mention one: Mr. Lewis who is the staff member on the Student Council Executive. Mr. Lewis¹ sound advice and direction given throughout the year cannot be over-emphasised and I am sure that that advice and direction is by far the most valuable asset treasured by the Student Council.

David Courtney, President, Student Council, 1974

### PREFECTS 1974.

The Prefect body, over the 1974 year, carried out their traditional duties in the usual manner. However, this did not mean that the Prefects restricted themselves solely to administrative matters. There were several extra-curricular activities organised by the Prefects among which were a Karapiro trip, various coffee evenings, and of course the Raft race. The Raft race between Takapuna Grammar and Westlake Boys! High School provided an outlet for school spirit. About 30 Rafts took part and the race on Lake Pupuke was round a triangular course marked out by buoys. Rafts had to go round once – and about half actually completed the course. This was followed by a barbecue at Takapuna Grammar.

The Two-body Prefect - Student Council system operating in the school worked well. This was aided by the strong ties between executive members and prefects. The Ball was a prime example of such co-operation. The theme was "The Roaring Twenties" and a great deal of time was spent by members of both schools in making it a memorable occasion.

I would like to emphasise that without co-operation between our Student Council and also the Girls¹ school many of the social functions would not have been possible.

Front row: G. Sutcliffe, F. Schaumkel, B. Stevenson, I. McLaren (Head Prefect)

C. Beere, M. Hunter, R. McKitterick.

### RUGBY FOREWORD.

As in 1973, nine teams represented the school in regular Saturday competition. The 3B1 team finished runners up in their grade, when Selwyn College defeated our team 6 - 4 in the final play off. This was a good effort as Selwyn didn't field a 3A side. All other teams performed with credit and if grade players concentrated on the fundamentals of the game and a higher degree of fitness, the Rugby future for the school should be bright.

The Fifteen played twenty-one games between April and August winning thirteen, drawing one and losing seven, finishing up about the middle of the 'A' grade competition. (Congratulations go to Stephen McCulloch in being selected for the Auckland 'A' team and also to Michael Stanley, Ian Abercrombie, Austin Harris and Richard Falwasser who played for the Auckland White team and to Duncan Harris who was selected for the Under-I6 Auckland Representatives. Next year the team will have to rebuild, especially in the backs - but with dedication on the part of the players, 1975 could be a very good year for the XV.

At the end of this year the school loses five coaches, Messrs. M. Calder, H. Davies, L. Dwyer, J. Mattewson and last, but by no means least, R. Smith who has coached Rugby at Westlake for the last nine years. He has contributed a lot to school sport - rugby in particular - and will be sorely missed. Our thanks go to these five and we wish them well for the future, also to all other coahces for giving of their very valuable time to make 1974 another good year for school rugby.

A very special thank you goes to the parents of the 1st Fifteen players, who did so much for the team. We all look forward to seeing you in 1975.

### Ist XV FOREWORD, 1974,

The 1st XV enjoyed a season of mixed success. The team showed great potential in their pre-season games with victories in all fixtures, including the defeat of eventual competition winners, Mt. Albert Grammar. However, after losing rather unluckily to Auckland Grammar in the first game of the season, the team lost the cohesion shown previously and only a spirited effort against Rutherford gave a true indication of the team's ability. Therefore, after 6 games and only the one win, the teams morale was low and a boost was needed to bring the team out of its troubles. A real effort was needed by the team and inspired by Mr. R. Butt's enthusiasm the team responded and went through the last five competition games unbeaten. This was a very satisfying end to an enjoyable season.

Although suffering numerous early losses, the team kept up a good standard of rugby throughout. This factor can be attributed to a great degree to the successful coaching of Mr. Butt where emphasis on fitness, and his ability to bring out the best in a team was reflected in some of the performances the team produced. The team was also very appreciative of the support given them by the parents, staff members and pupils. These factors added to a great team spirit and were responsible for a very enjoyable season both on and off the field.

### RUGBY NOTES - Ist XV

The 1st XV played five practice games as a build up to the Senior A Competition season. The first game was against Rangitoto, which is virtually an annual event. It was won by Westlake 2I - 3. This game was followed by others against Selwyn, in which we won 4I-0, Mt. Albert Grammar (eventual competition winners) which we won 15-4, Northcote 5th Grade, we won 7-0 and finally against East Tamaki 4th grade, which we lost in a very scratchy match. These build up matches brought out a lot of promise in the team, and all the wins recorded above were in the main, very satisfactory.

### WESTLAKE V TAKAPUNA:

It was a sweltering hot day when Westlake took the field against Takapuna Grammar. There was no wind to speak of and the ground was dry and hard. Westlake won the toss and started the first half by playing into the sun. It may have been the hot weather or possibly the usual early season problems but neither side produced any really enterprising or brilliant play. Even although the ground was good, the ball never got out to the backs. Due to the nature of play it wasn't surprising that the score was low. Nevertheless, Westlake still managed to beat their

### AUCKLAND GRAMMAR v WESTLAKE

This was Westlake's first competition game which was played in good Rugby conditions hampered only by slight drizzle in the latter stages of the game.

This was one of the XV's finer efforts in the '74 season. After much preparation, Westlake was very keen to win this game because it could have been the deciding factor in the competition. The game was very tense, fast, exciting and abrasive, played in an excellent spirit.

Auckland Grammar opened scoring in the first I5 minutes with a fine orthodox back try. The Westlake XV responded rigorously and for the next I5 minutes continually probed and broke the Grammar defence. But to no avail.

The Westlake forwards, although slightly smaller, excelled in their tasks and completely contained the larger Grammar 8 but unfortunately the brcks' performance was hampered by basic handling errors and misjudgement of tackles—thus the Grammar backs were quick to capitalise on their mistakes. Play fluctuated from end to end and Grammar was rewarded with a penalty goal late in the first half resulting from a previous infringement. The score remained 7 – 0 until late in a physically demanding 2nd half. Westlake were more dominant in this 2nd half and consequently dictated most of the play—keeping the ball in front of the forwards. A few prospective scoring opportunities were lost because of handling and basic tactical errors. Westlake was finally rewarded 90 seconds from the end with a brilliant 25 yard try initiated by D. Harris who ran from a ruck and passed to Aron Heath who miraculously dived into the corner without going out. The conversion attempt was abandoned and play resumed at half way, but no score resulted. The score remained 7 – 4.

### WESTLAKE V KINGS.

This was by far, Westlake's worst performance this season. Westlake approached this game far too confidently, and consequently were soundly beaten. Played in uncomfortable conditions, Westlake elected to play with the conditions in the lst half. Kings, from the kick-off elected to play 10-man rugby, something Westlake were not expecting.

The Kings! forward pack were far too superior for the smaller Westlake pack and it was some patchy defence that prevented Kings from running away with the game. Westlake was outdone in every facet of the game, and to add to this R. Falwasser had an unhappy day with his kicking. At full-time Kings had run out the winners by I3 - 3. A try and 3 penalties, to a penalty.

### WESTLAKE V OLD BOYS.

This game was played on Monday, Queens Birthday weekend. The 1st XV went on the field with the express intention of running the ball. The Westlake pack, although out-weighed and less experienced than their opponents, nevertheless managed to gain enough ball for the backs to run.

The Old Boys were attacking and some good work by Greg Payne, Grant Taylor and David Stanley almost saw them open their account. Westlake, however, replied with a 30 yard penalty from Steven McCulloch. The 1st half ended with Steven Rae losing the ball over the line for Westlake after determined work by forwards and backs.

The 2nd half opened with Westlake fielding a re-shuffled forward pack. Soon, however, the backs needed re-shuffling when Aaron Heath had to leave the field with a broken collar bone. Steven McCulloch moved to full-back as the Old Boys made every attempt to penetrate the Westlake defence. The defence held and Westlake ran out reserved winners over the Old Boys, 3 points to nil.

### WESTLAKE V RUTHERFORD.

This game was played at Eden Park, No. 2 ground and was the team's first competition win of the season. The game was played in fine spirit with Westlake showing through as the superior team. Nick Scalgione scored our only try which was converted by Steven McCulloch who also kicked two penalties. This brought the score to 12-0. Falwasser sealed the victory for Westlake late in the second half with another penalty 15-3. A sterling effort by the Westlake forwards was just too much for the keen Rutherford pack. Our backs looked confident with points on the board which combined to make a good team effort. Good conditions prevailed.

### WESTLAKE VMT. ALBERT.

This was Westlake's first introduction to wet weather rugby in the Senior IAI competition, and laid the foundations for probably the most successful wet weather rugby team in the grade. Although there was a strong northerly blowing in the team's favour, unfortunately Westlake got off to a bad start and went down 4 points after 5 minutes of the first half. For wet weather rugby the team was I terribly loose and the Mt. Albert team was taking advantage, of the untidy ball. After 20 minutes the team was 8 points down. If the team was going to improve, the forward pack would have to tighten up, and the ball would have to be played from ground. No-one was falling on the loose ball and inevitably the Mt. Albert players were pouring through. At half-time the team was still points behind and playing against worsening conditions, but after some strong words from the Coach, Mr. Butt, the team pulled itself together and played some terrific wet weather rugby which set a high standard for the rest of the season. Playing the ball at toe, the situation had turned and now the Westlake pack pitched itself into the Mt. Albert twenty-five for the rest of the game. With bustling tactics from the loose 'trio' and the drive of the pack coming from the tight core, the Mt. Albert line was crossed several times, but only rewarded by a drop-out twenty-five or scrum It was not until late in the game that a try was awarded to Bruce Purvis, after relentless pressure had been applied to the MI. Albert team by the now fiery and capable Westlake pack. Unfortunately, that was to be the final score, giving Mt. Albert a lucky 8 - 4 win over an up-and-coming Westlake XV.

### OTAHUHU V WESTLAKE.

Westlake lost this game because of the reluctance of its backline to tackle their strong opposites. This failing let Otahuhu through for two tries in the first half, one being converted. Westlake came back and dominated the 2nd half with the forwards winning a feast of possession, which the backs squandered because of bad handling and indecisive running. Westlake spun the ball well, but was only once rewarded with a try. Applying pressure, the forwards got a quick heel from a ruck. The ball sped along the line (including the fullback) to give Stephen Rae enough room to sprint in at the corner. The match was marred by some very unsavory play from the Otahuhu team. The two worst examples came from a vicious head high tackle which left Fred Schaumkel in no condition to carry on, and a blatent late tackle on Bruce Purvis which put him out for the rest of the season with a broken wrist.

### WESTLAKE V HATO PETERA.

This was a game Westlake really wanted as they had lost all their previous games and needed a win to keep the team spirit up. As both teams took the field, the Hato Petera supporters began their customary Haka and with this over Westlake kicked off. The 1st half was very even with both sides making fundamental mistakes until about midway through the 1st half, then Hato Petera scored a good running try from their backs. With our defence split open, Hato Petera ran the ball along their backs, the left winger scoring in the corner, no conversion. Four points up, Hato Petera lifted their game and were thankfully relieved by the half-time whistle.

The 2nd half came and we were still making mistakes. Our forwards were not winning enough ball from set play and our backs could not penetrate the solid Hato Petera backline. Our best back was Steven McCulloch who kept his talented opposite subdued. As the game progressed Hato Petera still with their 4 point advantage scored another try which put the seal on the game. Final score Hato Petera 3 – Westlake 0.

### WESTLAKE V WHANGARE I.

This year's match against Whangarei Boys High, was played at home in wet and muddy conditions. This made the ball very hard to control and play was often stopped because of handling errors. Due to the conditions it was a fairly uneventful match. Richard Falwasser kicked a pentity goal to seal the match for Westlake. Final score, Westlake 3 - Whangarei 0.

### WESTLAKE V SACRED HEART.

Played on Westlake's field, the school side were determined to win having already beaten Sacred Heart in the previous two years. They were a side not to be taken lightly by any means and the 1st half struggle saw both sides contesting possession vigorously with Westlake adapting to the conditions better. This resulted in a good forward try by D. Hamis to Sacred Heart's sole penalty, leaving the half-time score at 4-3. A slow start in the 2nd half gave Sacred Heart some close chances but Westlake soon gathered control and precision scrummaging and rucking saw the ball spin quickly to send winger F. Schaumkel over to score 8 - 3. R. Fallwasser sealed the match with a penalty and the victory of II - 3 revitalised the XV for later games.

### ST. KENTIGERNS V WESTLAKE.

After the encouraging win over Sacred Heart the previous week, the 1st XV was hoping for an equally good performance against a strong St. Kentigerns team. The match was of special importance to Westlake as no other Westlake team had beaten St. Kentigerns on their home ground,

The game was played in overcast conditions but the ground was in good order. To the disappointment of all the Westlake followers the team played very poorly in the first half and showed none of the teamwork it had displayed the week before. At half time Westlake found itself down by 4 - 0. After a stern halftime talk, the team lifted its game, but still found the opposite defence difficult to penetrate. However, Westlake was rewarded for their concerted pressure when Richard Falwasser kicked a penalty and with time running out, S. McCulloch dropped a great goal to put Westlake in front. Right on full time Falwasser kicked another penalty to give Westlake a deserved 9 - 4 win.

### KELSTON V WESTLAKE

Westlake entered this game keen to make it 3 wins in a row. The ground was very heavy but Mr. Butt's tactics were still "to spin it". Westlake played with the conditions in the first half. After 20 minutes of attacking they were rewarded. A quick feed from a second phase, and intelligent thinking by half-back Neil St. Clair put Richard Falwasser over on the blind side corner 4 - 0/ The conversion slipped outside the uprights.

Falwasser kicked 2 excellent penalties considering the conditions to end the 1st half with Westlake very much on top, leading 10-0. The second half was a completely different story.

Kelston attacked with drive and vigour and were rewarded with a try after 15 minutes. Luckily the conversion missed from a handy position. Kelston continued to attack but with some solid defence Westlake waited until Kelston ran out of steam, then counter-attacked. Westlake held them up to the final whistle, to win a hard, and at times a scrappy game, 10 - 4.

The stars of the match were the inside backs, St. Clair, McCulloch and Falwasser. Nigel O'Brien must also be mentioned for his effort in the dying stages of the game.

### ST. PETER'S CHRSTIAN V WESTLAKE.

Westlake approached their last competition game of the season (after 4 wins in a row) against St. Peter's with a slight air of over confidence. As usual Michael Stanley won the toss and Westlake played into the conditions in the first half. Faced with determined opposition Westlake remained camped in their own half doing their best to keep out the St. Peter's backs. But for the occasional breaks down the field by Westlake, the first half belonged to St. Peter's and they scored a deserved, if lucky, try after about 20 minutes 4 - 0 to St. Peter's.

Things were more even in the second half although Westlake's kicks ahead were still landing in the excellent St. Peter's fullbacks arms. With the conditions behind us Westlake forwards started to dominate the lineouts and scrums and when it started to rain the tight forwards really got going. It was after a determined forward drive by Westlake that halfback Neil St. Clair was forced to leave the field after a hard crash tackle. Angered by this and the trivial penalties the referee was giving against us, Westlake really got into gear but although they attacked strongly for the rest of the game, could not score the winning points. Final score 4 - 4.

### WESTLAKE v AUCKLAND SECONDARY SCHOOLS (White)

Playing on a fast Hato Petera ground, the Westlake XV defeated the Auckland Secondary Schools white team. This proved to be an interesting clash. Westlake took control from the opening stages of the game and dominated all phases of play throughout. The team played good open rugby, running from all positions on the field, and ran in two fine tries from A. Harris and F. Schaumkel with R. Falwasser making the total 13 with a conversion and penalty. The secondary team scored one try late in the game which was unconverted.

### SHIRLEY GAME:

In a game marred by the conditions, Shirley Boys High School ran out the winners by 13-7. Westlake were unsettled by the cold Christchurch conditions, and made many mistakes. Westlake held their own in the first half and the score was 3-0, thanks to a penalty by Richard Falwasser. Shirley lifted their game in the second half and ran in two good tries. The only bright spot in the second half for Westlake was a brilliant team try which led to AaronHeath scoring in the corner. Pick of the backs was AaronHeath and Grant Edmonds the pick of the forwards.

### 2nd XV

The seconds could have had their best year ever. Apart from a loss to Kings, the early season games contained great rugby. Then we lost valuable players injured and to the Firsts. Worth remembering ... that win against Whangarei in front of our home crowd ... trouncing St. Pauls early in the season ... having Mt. Albert down 10 - 0 at halftime, before the weather and the referee let us down. All credit to the remnants of the Seconds who kept trying when times were hard. Congratulations to our many exports who helped the Firsts avoid relegation. Some of those who passed through and left a mark of class - Duncan Harris and Nigel O'Brien (all 12 or 14 feet of them), Dean Robertson - agutsy five-eight, Aaron Heath and Gary Bigwood - who sometimes had 'one of those days!' Try of the year - Captain 'Tiny' Hall, complete with a back pack of Whangarei defenders.

The team included:

- G. Hall (Captain), N. St. Clair, G. Jordan, N. O'Brien, W. Hawkins, S. Donn,
- M. Pearson, I. Moore, S. Roberts, I. Hamilton, M. Baillie, J. Hansen, M. Nicols,
- D. Roberts, G. Bigwood, P. Battaerd, J. Parminter, M. Steward, R. Knight,
- N. Scaglione, A. Heath, and a dozen or so 'part-timers'

### RESULTS:

St. Kentigerns	14 - 4	Won
Kings College	O - 20	Lost
St. Pauls	21 - 3	Won
Mangere College	15 - 14	Won
Mt. Albert Grammar	10 - 16	Lost
Sacred Heart	0 - 0	Draw
Auckland Grammar	0 - 37	Lost
Kings College	0 - 7	Lost
St. Pauls	0 - 24	Lost
St. Kentigerns	7 - 14	Lost
Mangere College	18 - 0	Won
Non Competition:		
Whangarei	12 - 0	Won

### 4B RUGBY TEAM - Coach MR. B. FOSTER.

### TEAM:

- M. Forbes (Captain) K. Wood (Vice-Captain) G. Barrow, G. Brentnall, J. Burley, S. Cookson, C. Duffee, N. Goldney, N. Hall, C. Hawkins, D. Kelly, S. MacKinnon,
- R. Ogden, A. Pound, D. Rhodes, D. Rudolf, D. Sangster, T. Smyth, P. Tidswell,
- M. Tillett, P. Turral.

This team was the best 4B Team in Westlake for many years. Playing in a zone mainly on the North Shore meant that most games were against the top 4th Grade team in those schools. After a slow start, team work and team spirit greatly improved and some good wins were recorded. Other games resulted in narrow losses.

The backs showed glimpses of real class on attack and this is where the real strength of the team lay. Hawkins was excellent value on defence and attack and was well supported inside and outside him in the backline. Tidswell showed great improvement in general play and his goal kicking was a matchwinner. The team was well served by Captain Forbes at halfback and he controlled the

play well. Wood led the forwards by example and the whole pack played with energy and determination with special mention to Wood, Smythe, Sangster, Turall and Duffee. Tidswell scored the most points through his goalkicking and both Burley and Goldney had the distinction of scoring two tries in a match.

One of the most pleasing aspects of this team is the great potential shown by the younger players in the team, particularly Rudolf, Kelly, Cookson, Tidswell and Turnall.

A good year in 1974 and all the best in your future rugby careers.

### 3B RUGBY

Record Non-Competit	ion	Competition	
v Kelston	24 - 0	v Kelston	9 - 7
v Tokoroa	36 - 0	v Kings College v Mi, Albert Grammar	31 - 4 24 - 6
Championship Round v Auckland Grammar v Kings College	0 - 8 9 - 13	v SacredHeart v St. Kentigerns v H.H.S. v S.P.L.	7 - 4 4 - 10 16 - 0
		v Hato Petera v Auckland Grammar	12 - 0

3A had an enjoyable season in 1974 although not as successful as all would have liked. The team eventually finished 4th in the competition. The team started off very well in the season by winning the first few games. This I might add was with the absence of the coach Mr. Smith, who was galivanting around the British Isles. Mr. Smith returned for the game of the season against St. Kentigerns, in absolutely terrible conditions and with his added guidance on the sideline, we lost!

This was the first of a series of games we should have won. The next game was against Henderson on a very good ground and the team responded favourably to the better conditions. Nigel Edminston after being brought out of retirement, caught most of his passes, and even ran in a very good and well deserved try. This was a welcome change from his usual style of waving to the spectators before attempting a catch.

Scott Worthington scored the only try in the St. Pauls game, which turned out to be a real bruiser. Scott must be commended for his tries scored, especially in the first Kings game where he showed determination, combined with speed.

In the following game against Hato Petera, I. McLaren scored a good try, which was an indication of his general play. It's also notable how this player changed throughout the season, and at times was in the midst of little skirmishes.

Auckland Grammar was our downfall, and the team just couldn't stop that fast backline from scoring. John (Tree) Cotton must be commended for this game, with his relentless pursuit of the ball and invaluable cover defence. Also Greg (Ponce) Robbins played a great game and scored our only pushover try of the season.

Other players of merit include Mark Hickford, who showed good form all year, and has a long way to go in Rugby. Rory Thompson for his continued good hooking, John MacIntyre, a good player, David Whyte who was good value in all phases of play and Roger Foote and Barry Pettigrew showed determination at times, and have the ability to go a long way.

Thanks to parents and first fifteen members for their support, but mostly thanks to Mr. Smith for his efforts and knowledge of the game which he coaches well, also thanks to Mr. Nield for his time given and the help he gave, while Mr. Smith was away.

### TEAM:

- J. Williams (Captain) I. McLaren, D. Whyte, G. Robbins, W. Christenson,
- D. McLeod, R. Thomson, J. Cotton, J. MacIntyre, J. Jackson, A. Scott,
- G. Dobson, M. Hickford, P. Clarke, R. Foote, S. Worthington, N. Edminston,

		v Takapuna IIth	23 - 4
		v Sacred Heart	4 - 8
		v Takapuna IIth	4 - 4

Played 14; Won 6; Drawn I; Lost 7. Points: For II2, Against 96. Although we had a disastrous start to the season (6 losses from only 7 games), we improved immensely to a 5 Win, 1 Loss, 1 Draw record over the last 7 games. This is a great credit to our enthusiastic and hard-working coach, John Henderson who gave up much of his valuable study time.

The forwards worked well all season with our loose forwards foursome of Scott Williams, Mark Alderson, Peter Munce and David Grey always being first to the loose ball. The backline, through the absence of a first-five lacked co-ordination but at centre, Grant Glogoski scored 9 tries in seven games. Gavin Dewar showed great promise at fullback and improved considerably throughout the season. Another player to improve greatly throughout the season was Barry Watts at half back. In the latter half of the season the team developed a good team spirit which was mostly due to the fact that when we did win, we won through a team effort, not an individual one. Many thanks to parents who gave transport and supported us on Saturdays.

### TEAM:

- D. Higgins (Captain) D. Grey (Vice-Captain) M. Alderson, W. Brown, C. Chaiman, B. Cooper, G. Dewar, M. Feary, N. Francis, G. Glogoski, S. Hall, J. Mercer,
- D. Mills, P. Munce, P. Roeszler, B. Watts, S. Williams.

### COACH's NOTE:

Denis had a difficult beginning to the season with 6 losses, but he showed great leadership ability to combine the team and help create the team spirit. His own game at lock also improved as the season progressed.

### 3BII RUGBY:

The 3BII Rugby team was potentially capable of much more success than the final record of five wins and five losses indicates. The team started well with a good win against Glenfield College, but from then on they either won or lost by a narrow margin, being especially unlucky to lose to Rangitoto College, a match in which they scored the only try. The main reasons why the team didn't live up to its true potentiality appear to be lack of fitness, poor tackling at critical moments and the poor turn-out for practices at which a full team never once trained together throughout the whole season. Through the season the forwards developed into a fairly good unit but the backs did not develop into a good combination.

### 3B GREEN RUGBY.

The team had an enjoyable and successful season and came second in a competition of over twenty teams.

The backline was undoubtedly the team's main strength, especially in midfield where I. Murray, P. Murray and M. Walker used their speed and elusiveness to good effect. G. Vennel led the forwards with determination and S. Cummings and D. Ewart were invaluable as all-round players, although on the whole the forwards often ran out of steam.

The hardest matches of the season came in the 2nd round, the 2 point victory over Rangitoto being exceptionally satisfying. The team also enjoyed defeating Kings and were grateful to lan Murray and Murray Walker for their manoeuvre which produced the only points of that match.

The 2 point loss to Selwyn in the final was a disappointment, especially considering the way the team played in that match. However, Selwyn also played well and deserved their victory.

### TEAM:

- G. Vennel (Captain) T. Cartwright, P. de Mooij, J. Hall, H. Rich, M. Walker,
- P. Murray, I. Murray, G. Seeker, G. Brentnall, D. Fowlie, M. Puch,
- D. Tomlinson, P. Herron, D. Ewart, C. Wilson, S. Cummings.

### 5A RUGBY - 1974.

In an exciting final match the 5A Rugby Team defeated Auckland Grammar School 4 – 0; the only Westlake team to accomplish this in 1974. There were other fine matches including the Takapuna Grammar School match played in "Antarctic" conditions and won I3 – 3.

v St. Peters

The team was outclassed in only two games. The first of these was an 'International' during the May holidays against Ipswich Grammar School, from Queensland. The older and heavier visitors ran out the winners, 28-7. However, after being down 22-3 at halftime, the Westlake Boys more than held their own in the second half. Later in the season, Kings – who won the competition – completely outplayed us to win 17-3.

Record: Played I5 Won IO Lost 5
Points: For 242 Against I0I

P. McIntyre, N. Baudinet, COACH: D. Johnson.

### Ist XI SOCCER REPORT - 1974 SEASON:

The strength of Westlake Scocer was shown again this season. Despite a large exodus of key players, this year's team more than held its own in the Senior Auckland Competition. With a better final week, the team could have finished second, but with the captain injured, they faded to fifth.

Neil Mardell was captain until his injury, and his outstanding skills as a mid-field player earned him Auckland and North Island Under-16 honours. John Day was captain at the end of the season, and he was joined by John Wigglesworth and Garth Sutcliffe in the Auckland Secondary Schools Under-19 team. The most improved players were Alan Peeperkorn, Paul Howard and Mike Freeman. With seven experienced players back next season, the high standard of play and sportsmanship always displayed by this team should continue. Next year's players will benefit from the set of very smart track tops bought with money earned in the annual mystery envelope appeal.

Graeme Fanslow

If you thought that was a list of the 1st XV Rugby team, then you'd be wrong. These are all one-time members of the 1974 Senior 'B' Soccer squad.

It was comprised mainly of 7th Formers who had several other commitments during the year. However, all things considered, the team did very well, but with such star performers as Mark (Lassie) Maxell and Nigel (Bashiem) Goodinson, this was to be expected. Other members of the team included 2 pairs of brothers, Derek and Glyn Taylor of English extraction and Gareth and Phillip Jones, (incidentally Gareth swears that he's never ever even seen a Welshman, still you can't believe all you hear). Andrew Josephson seemed to be the only misfit in the team, he seemed to have an incessant urge to pick up the ball and run with it – that's what comes of playing soccer on Wednesdays and Rugby on Saturdays.

Throughout the season the team tried various tactics and fielded numerous combinations of players; both worked with a limited degree of success. Its coaching sessions were usually enjoyable and sometimes comical events.

At the start of the season it looked as though the team was doomed to failure for it was only then that they realised that nearly all their opposition was to be Ist XI sides that were unable to play in the Senior A competition. However, the season was not a total loss. The team did have some very good wins but on the other hand it did suffer a few heavy defeats.

### TEAM

Northcote College I	Lost	5 - 3	Glenfield College	Won	3 - 2
Rosmini College	Lost	5 - 1	Rosmini College	Lost	7 - 0
Takapuna Grammar	Lost	9 - 0	Takapuna Grammar	Lost	7 - 0
Northcote College 2	Won	4 - 0	Northcote College	Won	5 - 0
Northcote College I	Lost	7 - 0	Glenfield College	Won	3 - 2

### JUNIOR TEAMS

A strong 1st XI seems assured for the next few years, judging by the performance and quality of this year is junior teams.

The <u>Wednesday team</u> had a very successful season and won not only the North Shore mid-week secondary schools competition, but also decisively defeated Onehunga High School by 3 - 0 to become the Auckland Unior Championship winners. They are the first mid-week team to win the competition for an entire grade, and have therefore firmly established mid-week soccer in Auckland Secondary schools.

While some games were rather patchy, the team played its best football at the vital times and recorded II wins and one draw during the season. Rangitoto College 'A' provided one memorable game; Westlake scored from the first kick-off and were then forced to grimly defend for the remainder of the game as heavy rain set in and Rangitoto's determination increased.

The best soccer was produced in the Auckland semi-final against a polished Howick team. With the score at 0 - 0 at half-time it was anybody's game; Westlake then scored two goals in quick succession, but had to fight off a spirited rally from Howick before running out winners 3 - 1. The team was very ably led by Roger Collins and consisted of G. Lamb, J. Mok, C. McMurtrie, D. McCann, J. Jordan, D. Butler, A. Reid, B. Waddell, P. Mather, M. Greenwood, J. Porteous, J. Irving, G. Sumpter, N. Forbes, A Hogg, V. Walker. Brian Williams' game encouragement in coaching and refereeing.

The Saturday team after receiving some heavy losses early on, improved considerably during the season and finished as a strong, enthusiastic unit under David Chapman's captaincy. The team consisted of D. Chapman, J. Beale, G. Hanna, J. Davis, P. Phillips, C. Smith, S. Baskett, A. James, S. Williams, S. Robertson, P. Suppit, M. Greenwood, G. Anderton, N. Cogdale, D. Evans.

### Ist XI HOCKEY

The 1st XI Hockey met with mixed success during the season. Owing to the numerous wet Saturdays competition games were few and far between.

RESULTS:

Played 5

Won 3

Lost 2

The best game of the season was that against Avondale College - last year's competition winners - in which Westlake combined well and ran out winners 4 - 2.

In mid-season the team visited Whangarei to play the local High School. Despite a 0 - 10 loss, the game was enjoyed by all.

The Tournament this year was held in Gisborne, bringing much delight to several team members. We left for the Tournament with high hopes of performing weel, but these were soon forgotten as the trip progressed. The Tournament itself was great fun although the results were disappointing.

RESULTS:

Played 5

Won I

Drew 2

Lost 2

David Forster (Goalie) was successful in being chosen for the tournament rep. team.

Finally our thanks to Mr. Eustace for his concerted efforts for the team - which were much appreciated by all.

TEAM

H. Battaerd (Captain), G. Lyons (Vice-Captain) I. Burt,

K. Armitage, M. Smith, E. Fudge, I. Armstrong, P. May,

C. McQuaid, D. Forster, T. Fuller, L. Brown.

### SENIOR 181 ROWING.

Once again Westlake proved itself as a major rowing school with successes in all classes throughout the year. We were well prepared for the rowing season due to the purchase of a new eight, named the B.B. Darlow, and a second eight from Wanganui Collegiate.

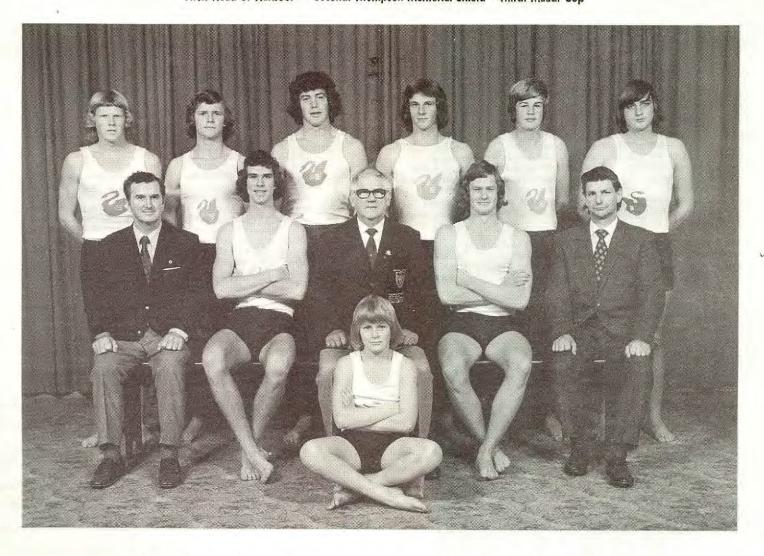

The season commenced with the annual rowing camp at Karapiro, for a week at the end of January. Prior to this, all crews had been training lightly for a couple of months. The rowing camp was a great success, with all crews being established with the help of Rusty Robertson, the National Coach, but primarily by the school coach, Eric Graies.

From the camp, the various crews trained hard for the eventual goals - the Maadi Cup and the Head of the Harbour. Prior to these races the Senior 8 had gained second place in the prestigous Thompson Memorial Shield. This was a very good effort as the improvement in the crew was marked, and this pointed to a hopeful Maadi Cup performance.

The Maadi Cup was held in Wanganui, with Westlake taking down two crews. Both performed well, but the regatta was not without its drama. In the Senior 8's heat, the Westlake crew gained 3rd, a disappointing performance. This meant that the crew had to participate in a repercharge later in the day to qualify for the final. The repercharge was a great feat in Westlake eyes. The eight

### Westlake Boys High School

Senior Rowing Eight: 1973-74
First: Head of Harbour Second: Thompson Memorial Shield Third: Maadi Cup

Back Row: M. R. Stanley (2), G. I. Abercrombie (1), A. P. Harris (6), I. G. Hamilton (4), S. H. Roberts (3), S. K. Molving (5).

Front Row: Mr. A. McVeigh (Asst. Rowing Master), R. G. Stevens (7), Mr. A. E. Craies (Coach), J. M. McIntyre (Stroke),
Mr. A. H. Salter (Rowing Master).

In Front: M. Alderson (Cox).

showed out from the beginning, holding its lead to the end with a tremendous effort. The Wanganui Collegiate 8 was 2nd, not being able to overtake our crew, who incidentally recorded the fastest time in the regalta in this race. The final was something of an upset with the Wanganui 8 winning a very good race, Hamilton Boys High by  $1\frac{1}{2}$  lengths.

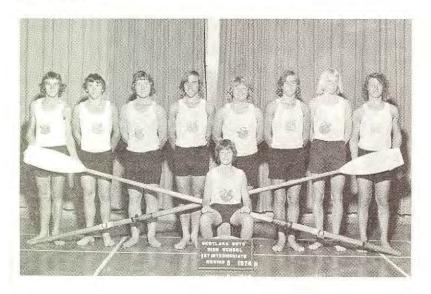

Our thanks to coach, Eric Craies, without him and without the support of our new Rowing Masters, Mr. Salter and Mr. McVeigh, the season would not have been nearly so successful.

### INTERMEDIATE ROWING.

### Intermediate 181

The Intermediates had a particularly good season this year. Coming together as a crew for the first time at the Karapiro rowing camp in the Christmas Holidays, we soon had a top notch combination going. With second placings in the Mercer and Bennet Shield regattas, we headed off to Wanganui for a week of hard preparation for the Maadi Cup Regatta, finally gaining a creditable fourth place in the final. However, the climax of the season came in the 'Head of the Harbour Regatta' on Lake Pupuke when, in front of a large crowd of Westlake supporters, we won the Intermediate Eight race from the N.Z. Champions - Fraser High School.

Thanks for our success must go firstly to our coach Gordon Nichols, who managed to crawl out of bed most mornings to coach us on the Lake. Thanks also to Rowing masters, Messrs. Salter and McVeigh, and to Senior Coach Mr. Eric Craies.

Left to right: K. Taylor, B. Crossley, J. Hanson, P. Stick, G. Hall.
A. Stick, S. Donn, J. Parminter (stroke), C. Pearson (cox)
Absent: P. Redpath.

### BASKETBALL 1974: FOREWORD.

This year saw Westlake fielding 6 teams - 2 in the Senior Section and 4 in the Junior Section. All teams performed well and although they did not win finals most were runners-up in their grade.

The Senior IAI finished the season as runners-up in both the North Shore competition and the Northern Zone.

My personal thanks to Mr. Dar and Mr. Lindsay for coaching the Junior B teams. My thanks also to the Senior A players who assisted in coaching the 3rd Formers. Special thanks go to Mr. and Mrs. Goudie, who, after the zone championships, invited the team back to their home for a very enjoyable afternoon.

Finally, I would like to congratulate all the players for their keeness and sportsmanship, both on and off the court.

T. Dowling
Master, I/C basketball.

### NORTHCOTE GAMES:

The first time Westlake played Northcote they began the game with a certain amount of doubt as to the outcome, as in previous years Northcote had been the superior team. The game started with Northcote going into an early lead as Westlake's teamwork didn't seem to click. However, after a quick time-out, and instructions from Mr. Dowling, Westlake began to improve, and the scores drew closer as half-time loomed up. In the 2nd half, with Westlake playing brilliantly, both in teamwork and individual skills, the scores tied and we went into the lead. Excitement soon gave way to exhaustion, however, and the Northcote players began to increase their scoring tempo, taking them to a 6 point advantage which they held to the end. We had lost our first game to Northcote – 34 – 40.

After losing twice to Northcote (we also lost to them in the National qualifying champs), we weren't feeling very enthusiastic at the start of our 3rd game against them. However, on hearing that their star player "woman" could play, we began to feel more confident. The game started slowly with neither team getting the advantage, and scores stayed low until part-way into the 2nd half.

With good playing by Westlake, especially Dave Lawrence, who gained several baskets by driving through the Northcote defence, we managed to go into a slight lead which before long, was being held first by one side then the other, as the end of play loomed up and the tempo increased tremendously. A slip by Westlake gave Northcote a 1 point lead at full time, but due to a 'technical foul' against Northcote, we were given one free shot, which we hoped would tie the scores and force a play-off. The ball was given to our best set-shooter, R. O'Dowd and with tension high he made his shot, which after bouncing several times round the ring, dropped off, allowing Northcote to win the game 33-32.

### GLENFIELD GAMES:

Game 1

May 31st.

The first game of the season, and although suffering from pre-season butterflies, Westlake were confident of really showing Glenfield up. But as the game pro-gressed, it became increasingly obvious that this was not to be the case.

Westlake's defence proved useless against Glenfield's long shots from the top of the Key-hole, and if it had not been for Clarke's and Cullen's synchronisation, in the opposition's Key-hole, Westlake would have definitely lost by more. The game went from end to end with either side narrowly winning. At the final whistle Glenfield were one up, but as with many of our games, luck was with us, and we were awarded one shot for an infringement. This would mean extra time, but the shot bounced harmlessly off the ring much to Westlake's dismay. Final score: Westlake 58 Glenfield 59.

In this game, Westlake were determined to show their superiority. This time the game proved more to their liking and the half-time score of 28-16 reflects this. Glenfield's most consistent shooter was well off and was matched only by Westlake's inconsistency. As a result, the game proved scrappy with little, if any fluid basketball. Glenfield tried desperately to shorten the gap, but with only limited success and at the final whistle Westlake proved the victors by Westlake 58 Glenfield 42. 16 points. Final score:

### SENIOR 'A' BASKETBALL.

Westlake v Takapuna Grammar School.

Both teams were evenly matched for the first 20 minutes of this gruelling encounter. Takapuna's 'fast break' was effective in tiring the better drilled and more coordinated Westlake team. But, after half-time, and a few strong words from the coach, Westlake pulled away to a comfortable victory by 44 points to 25. Players that showed out most in this game were H. Cullen, who set up play well, and B. Clark for his rebounding ability.

### Westlake v Rodney

The first reaction the team had on hearing that we were to play Rodney was 'what are they like?! We had never heard of them as a team before. Our question was answered fairly well in the first 10 minutes. Westlake got a good start with Goudie rebounding and shooting very well. Rodney drove for the fast breaks throughout the whole game, but their passes were more than often inaccurate. Richard O'Dowd was well on form, potting baskets OUT SIDE the key-hole. After 15 minutes we were ahead about 15 points.

Throughout, Westlake kept on top and by half-time lead by approximately 30 points. Alan Menzies played an excellent driving game, totalling a magnificent 34 points (2 more than Rodney's final score). Rick Stevens got some remarkable shots from the corners, and Harry Cullen skillfully set up play and scored con-

Bryce Clarke's rebounding, though not as good as previous games, was still effective enough to give the team many points. Final result 86 - 32 to Westlake and entry to North Shore finals.

### SENIOR A v TOKOROA BOYS

We won this game against a team with a height average of 6ft, and who played in a competition of the highest calibre in New Zealand. Three players to stand out in this game were Alan Menzies, Richard O'Dowd and Bryce Clark. The Tokoroa height advantage was greatly reduced by a terrific hustling game by Alan Menzies who made many fine rebounds and guards. Richard O'Dowd scored 3 or 4 vital baskets early in the game driving right into the tallest parts of the defence to score with a remarkably successful fake jumpshot. Bryce Clark hit form with a startling new-found ability to co-ordinate more than just the ball and his hands and managed to drive through the taller Tokoroa defence to come out with the ball under their basket,

Tokoroa had the extreme height advantage but failed to initiate any successful attacks. Tacking even a basic fast break. Once we sewed up their attack after half-time the points piled up as Tokoroa lost heart. Final score: 70 - 50.

### WESTLAKE V OLD BOYS.

This game was one of the social events of the year. The old boys returned with a star studded pack. The school was able to keep up near the Old Boys but a brilliant effort by Paul Smith and Glen Perry pulled the Old Boys out ahead. The school did well to score many fine baskets with Terry Gee, Bryce Clarke, Harry Cullen, and Gavin Goudie outstanding.

The Old Boys had too much guile, height and skill for the school to handle. Final score: 74 - 97.

### AUCKLAND CITY CHAMPIONSHIPS.

This year the venue was at Boystown and as in the past competition was tough. Although everyone tried hard, no one seemed able to find form. Due to union tunate circumstances, our coach was unable to attend, and without him screening orders from the bench, everyone seemed to fall into a state of confusion.

Our first game was against Agrere. This was a very closely contended game with the lead swapping from team to team throughout. At half-time we were behind 33 - 31. In the second half we were very unlucky and the majority of shots missed. The shots that did find their mark were enough to keep the name. interesting but we were finally deleated 65 - 61.

Our second match was against Auckland Grammar. In this game nothing wurl right for us and as a team we lacked the co-ordination required to work the moves. We were finally defeated, 46 - 60.

### WESTLAKE V PUKEKOHE BOYS HIGH.

Pukekohe lacked height, but more than made up for it with a very direct, fast, driving attack. We found ourselves being forced backwards into a scrappy defence. Some hard words by coach, Mr. Dowling pulled us up and ahead by a basket at half-time, a lead we fought to hold right through the match. The smallness of the court and the wet floor made any moves risky and play became scrappy and disorganised.

The victory was a team effort with the defence managing to hold back many determined last breaks by Pukekohe and the baskets were scored at vital Final score : 59 - 56. moments by all team members.

### JUNIOR 'A' BASKETBALL

The 1974 season for Junior A Basketball saw the Westlake team get into the final, where they were defeated, 44 - 30. All games were played at the North Shore YMCA in Wednesday sports periods.

The team was: S. Daubney, M. Bell, D. Coloman, P. Murray, P. Stockton N. Cox, H. Clift, G. Jaine.

Basketball for 1974 Junior A2 was played in the Junior A section of the North Shore Tournament. They played 9 games, winning 5 of them very successfully. All players thoroughly enjoyed it. It was played at the YMCA in sports period on Wednesdays.

Players were: N. Hall (Captain), S. Cullen, J. Macarty, C. Newton, N. Molving, C. Vail, J. Coats, Reserve: A. Dean.

### ATHLETICS

Ist row: S. Schmidt, J. Wilken, S. Tregonning, A. Johnson, J. Burly,
 G. Brunsden, J. McIntyre, D. Tidswell, G. Corbett, A. Burrell.

2nd row: S. Worthington, G. Robbins, R. Nordstrand, M. Bailey, H. Clift,

S. Twyford, H. Rich, G. Bigwood, P. Roberts, T. Robery.

3rd row: N. Edmiston, M. Walker, S. Rae, A. Heath, B. Seay, F. Schaumkel, S. Price, M. Hunter, P. Edwards, J. Hall.

S. Price, M. Hunter, P. Edwards, J. Hall.

Front: M. Stanley, A. Menzies, I. Harris, B. Clark, Mr. A. Butt, Mr. J. Harris, Mr. T. Dowling, R. Stevens, G. Vale. I. Hamilton.

Westlake started the season with the school sports held over two fine days. Glenn Corbett excelled in four events to pip J. Burly for the 3rd Form and Junior Championships. T. Rowberry performed well to run away with the 4th Form Championship. The 5th Form and Intermediate Championships were won by M. Bailey who notched up four wins. However, as expected, it was the Senior clashes between the combined 6th and 7th Forms which provided the most intense competition. Such was the depth in the seniors that the Senior Champion, G. Deed, won only one event, while S. Worthington alone won two events. The highlight of the two days athletics was undoubtedly the clash in the sprint events between the old rivals: S. Rae, N. Edmiston, R. Falwasser and S. Worthington, Both the 100m and 200m provided blanket finishes. M. Stanley, pushed hard by A. Heath and J. Thompson in the longer distances.

The zonal meeting held at Sacred Heart College on a beautiful grass track, left Westlake with few representatives at the Mt. Smart Championships due to the complete dominance of the older schools such as Auckland Grammar. G. Corbett held the Westlake Banner high with two flash finishes with Mt. Albert Grammar's top junior, A. Irvine. Glenn triumphed in the 200m but conceded the 100m. Only three other athletes, plus a relay team, managed to qualify for the Auckland Championships. G. Corbett again performed well, despite an injured ankle.

Despite Westlake's patchy results in these individual competitions, we revealed our mettle at the Auckland relay meeting held at Kings College. Our well coached teams aided by Messrs. Harris, Butt and Dowling contested all the races hotly. Accordingly, our well drilled teams came 3rd overall in the Senior Competition, 5th in the Intermediates and the Juniors also gained the overall placing of 3rd. Considering the tough competition from seven other selected Auckland schools, Westlake had a reasonable season, with considerable promise of success in future years.

### CROSS COUNTRY.

3rd Form:

Westlake runners again made their mark in the 1974 season. Best individual performance came from Tony Burnell of 3R. He won the 3rd Form race, was 6th in the North Shore Secondary Schools Junior event and finished a successful season by winning the Auckland Secondary Schools Junior title. In this race he led from beginning to end over a two and a half mile course. Congratulations Tony!

17-48

A Burrell

### SWIMMING - North Share Schools.

The first term of 1974 saw the annual North Shore Secondary Schools Championship day. The venue was once again Northcote College. A squad of swimmers selected from each school found the competition stiff, and as the programme included over 75 events, it was a long day for one and all, especially those who managed to swim themselves into the finals late that afternoon. It proved to be a day of excitement as records continually fell, with several outstanding performances, especially from some of the younger age groups. The programme ran through to the end without any hitches, which reflected the time and effort the school's physical education departments had devoted to the organisation of the meeting.

### School Swimming Sports:

The 1974 swimming sports were once again held at Northcote College on Friday 8th March. It was a good day for the event, but unfortunately the timetable was not on schedule and some events were missed, i.e. Teachers-Prefects relay, the result of which was a foregone conclusion.

### The winners of each form were:

Third: S. Bradford 3P
Fourth: N. Molving 4B
Fifth: G. Robbins 5K
Sixth: S. Molving 6 Sci. B.
Seventh: J. Burt 7 Economics

### 1st XI CRICKET REPORT

### 1974 SEASON

The very poor start to the 1974 season, and the generally disappointing results have not reflected the talent and potential of this team. The friendly matches were all won, and in both the Kelston and St. Kentigern matches, Westlake were chasing outright wins, but missed out. Against the competition leaders, Mt. Albert, Westlake had very much the better of a drawn encounter.

John Cotton developed through the season as he gained more experience and confidence as Captain. He lead with a determined example, and was rewarded with a regular place in the Auckland Secondary Schools Team.

The most promising young players for the next year are Duncan Harris and John Watson, and with several other experienced players returning, next season should be more successful.

### RESULTS:

### Competition.

Westlake	v Sacred Heart College Ist Inn, Loss	S.H.C, W.B,H,S.	144 for 29 for 5 85 and 139 for 8 dec. (Cotton 39, Harris 30)

Ist XI CRICKET 1974 SEASON

Back row: Richard O'Dowd, Richard Falwasser, Duncan Harris, Nigel O'Brien

Gavin Gaudie, Steven McCullock, Mr. P. Matthews.

Front row: John Watson, Bruce Purvis, John Cotton (Captain)

Alan Thompson, Matthew Nichols. Absent: Alan Waugh

### SENIOR WEDNESDAY CRICKET TEAM

COACH - Mr. B. Foster

TEAM:

- G. Fanselow (Captain), D. Whyte, J. Wigglesworth, N. Goodinson,
- C. Hayson, B. Lawson, F. Schaumkel, A. Townsend, G. Taylor,
- D. Taylor, S. Horne, T. Smythe, G. Dobson, M. Hardy, G. Pike,
- L. De Vere.

This 'social' cricket team had an enjoyable year with some degree of success. Playing against our 'serious' neighbours from Takapuna, Northcote and Glenfield we showed our skills in batting, bowling and fielding; not necessarily in that order. Some impressive totals were recorded against powerful opposition attacks with 150 against T.G.S. (Wigglesworth 76) being the best team and individual efforts.

The team was well lead by Fanselow who batted with determination and bowled skillfully; (perhaps not often enough though). The opening attack was enthusiastic and erratic, being shared by Whyte, Wigglesworth, Schaumkel, Hayson and Goodinson. The team can be congratulated for its team spirit with all members making positive contributions to the game whether on the field or not, All the best for the future in your cricket and otherwise.

### 3A CRICKET

COACH - Mr. Smith

The 2nd XI is having a successful season and is unbeaten up to this stage. This is particularly pleasing as there have been several 4th and 5th Formers in the team who are gaining valuable experience which will hold them in good stead in future years. At the time of writing, the 2nd half of the season is just beginning with the team having registered two first innings wins.

Had it not been washed out, a drawn match with Sacred Heart College looked likely to have been an outright win with Sacred Heart struggling at 49 for 9 in reply to Westlake's 149. In these games the team has yet to be dismissed for less than 100 with no batsman dominating the scoring. Unfortunately we lacked the bowlers to force outright wins with only R. Falwasser and Woolnough consostently picking up wickets.

Our thanks to Mr. Smith, whose coaching and enthusiasm did much to bolster our performances. Our thanks also to parents who provided transport and gave their encouraging support.

### 4B CRICKET

COACH - Mr. L. Dwyer

First innings loss

TEAM:

C. McQuaid (Captain), G. Klein, P. Turrell, P. van Slyke, T. Gibbons,

M. Cullimore, J. Leigh, S. Walker, S. Davies, P. Krijnen,

G. Hailwood, M. Baillie, K. Moyle, A. Cartwright, R. Louden,

R. Hambrook, D. Whyte.

RESULTS: v Mt. Albert Grammar School

v Kelston Boys High School

Outright loss v Auckland Grammar School First innings loss

v Papatoetoe First innings loss

VMt Roskill Grammar School First innings loss

Bad luck and a shortage of players for some games were the main features of a mixed season for 4B. A second wicket partnership of 53 by Mt. Albert put paid to Westlake's good innings. With only 9 players in the match against Kelston, we were at a disadvantage from the start, losing only on the last ball of the match. Against both Papatoetoe and Mt. Roskill, we ran out of time to force an outright win. We needed only the last wicket against Papatoetoe, and two runs to win against Mt. Roskill. Chris McQuaid took 13 wickets for only 78 runs in the first term, and Paul Krijnen took 10 for 29 against Mt, Roskill, including a hat-trick over both innings.

### YACHTING.

The 1974 Inter-Secondary School Yachting Championship was once again held at Waikatere Boating Club and sailed in Sunburst class yachts. After a series of sail-offs at Lake Pupuke four skippers were chosen to represent the school. They were Simon Daubney and Mark Bell in one boat and Robert Morton and Keith Dickson in the other.

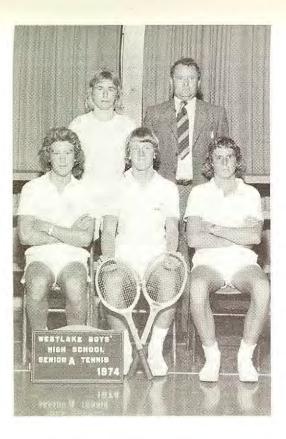

The day of the competition brought light Northerlies and smooth seas. In the first race Mark and Robert both got away to good starts, but the tide was strong and the wind very light. The race was shortened to four legs and after an unfavourable windshift our boats were II and I2 respectively. Selwyn College won the race.

The 2nd race with Simon and Keith skippering was held in steadier conditions with a IO and I2 knot breeze, again from the North. Simon at the helm cleared out at the start and held 2nd position until the end, despite a strong challenge from the Girls! School. Keith also sailed a consistent race in the upper half of the fleet to come in 9th out of a total of 33 boats. Rangitoto College won the race and with a 2nd in the first race finished with sufficient points to take the title.

### SOFTBALL.

This year there has been a Wednesday afternoon competition held at school for the Wednesday sports period. It has catered mainly for 3rd and 4th Formers but some seniors have been involved. Masters involved - Mr. Mitchell, Mr. Johnson, Mr. Matthewson and Mr. Poland.

As well an inter-school competition has been started. Two teams have been entered, 3rd Form and 4th Form. Mr. Dowling has supervised, All in all there appears to be a growing demand and interest in Softball, a game that is fast and competitive.

Back: E. Fudge, Mr. S.K. Nield Front: E. Bryant, G. Simmonds (Captain) and P. Howard.

### TENNIS

Senior <sup>1</sup>A! Tennis did particularly well this year, losing only one match (to Rangitoto College).

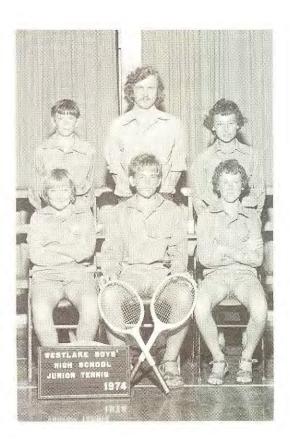

Particular mention goes to Paul Howard and Eion Bryant (numbers 3 & 4) whose experience and consistent form found them easily better than their opponents.

Greg Simmons and Edwin Fudge (numbers I & 2) maintained an unbeaten doubles record which, along with their competent singles play, always presented a stumbling block to the opposition.

### JUNIOR TENNIS

Two teams took part in the competition this year. The 'A' teams played enthusiastically, but were rarely successful. The 'B' team played very well to win all of its five games and the Junior B. grade championship.

Junior B. Tennis. Standing G. Dorwood, Mr. W. Davies, V. Walker Seated J. Irving, C. Smith, D. Chapman

### INTERMEDIATE TENNIS.

Back Row: H. O'Neill Mr. J. C. Kellett Front Row: N. Cox, D. Wilkinson, H. Hailwood

The Intermediate team had a chequered career this season. Win a few, lose a few: this was the philosophy. And not a bad philosophy at that. If the idea of a tennis competition is to enjoy organised tennis, then a very successful season was had by all.

### FENCING.

A small group fenced during the year at school. Once more several beginners left because they had not fully realised the work necessary at the start if a fencer is to progress in the sport.

Only three fencers took part in open competition. They were:
B. Bailey (6 Sci. B) who is showing some promise, but lacks experience.
J. Gifford (6 Sci. A) whose most successful tournament was the Auckland B Grade Championships where he reached the semifinal after defeating one member of the Auckland Secondary School team and two members of the Auckland Secondary School B. team (each team consisting of 4 members). Unfortunately he was unable to compete in the Auckland Secondary School Provincial trials so was not eligible for Auckland teams.

R. Fluskey (6 Sci.B) our most successful fencer, who was unable to fence in the earlier part of the season because of illness, but who finished 4th in the Auckland Secondary School trials, was a member of the Auckland Secondary School 'A' team, and who at the New Zealand Secondary School Championships in Christchurch reached the semilinal and was ranked in the final I2 for New Zealand.

### BUSINESS MANAGEMENT GAME.

This year Westlake entered two teams in the Business Management Game. Both teams survived the first round, but only the second team progressed further. We played an extra round before contesting the Auckland Final. Out of the 106 teams entered in the Auckland province, we were one of the last 5. We narrowly won from Rotorua Boys High School. The final was played at Air New Zealand House where a 3-course lunch was provided. From there we went to the New Zealand final, held in Wellington. The other two teams contesting the final were Christchurch Boys High School and Wanganui Collegiate. We were the last 3 of the 226 teams entered over the whole of New Zealand. We finished 2nd behind Christchurch Boys High in the closest final for five years.

The team members were B. Fowler, T. Coombe, M. Forbes, G. Brentnall, C. Duffee, M. Frankham, N. Goodinson and D. Lyons. A lot of credit for the team's success must go to our advisor, Mr. W. Opperman. His efforts were greatly appreciated by all members.

### DEBATING 1974.

The school's debating society has not been as strong this year as in previous years. It takes a particular type of courage to enter a public speaking contest of any type and a large measure is needed when you know that as soon as you have finished speaking, someone else will tell the audience about all the foolishness you have uttered and at the end of it a judge will bare all the faults of your preparation and delivery.

However, from the half dozen or so adherents we managed to fashion a team consisting of David Courtney, Bruce Gilbert and Bruce Fowler who successfully defended the Girls! School challenge for the Thorburn Trophy.

The subject for discussion was that the best relationship between the sexes was a platonic one. The boys supported this topic (with some effort of will, of course) and the girls negated it. The contest was a close one and we consider ourselves fortunate to have been awarded the decision but as the adjudicator was Mrs. Pat Hadlee (formerly Miss Pat Brothers of Westlake Girls High School) we can assume that we deserved it.

We look forward to the girls' challenge in the 2nd term next year.

### DRAMA.

As well as drama within the classroom, it was felt that pupils had developed the ability to write their own plays for the major production. Hence Harry Sinclair and Richard von Sturmer wrote successful plays, very different from the ordinary.

### "CHEWING A TULIE"

At the beginning of their 4th form year, Harry Sinclair and Scott Colhoun decided to write and produce a major musical production for the Westlake Arts Festival, to be held that August. Scott Colhoun began writing the music as Harry Sinclair worked on the script, and lyrics for many of the songs. By June the play was ready for production, and with the assistance of Mr. Mitchell, Harry Sinclair started rehearsals with a group of actors. Scott Colhoun got a 5-piece band together and produced the musical side of the play.

The play centred around a series of events in the life of a pupil at Westlake Boys High School. It was a satire of New Zealand daily life, emphasizing the lack of communication, apart from the mass media, in our society. Neil Baudinet played the schoolboy, a naive character, constantly mistreated by his father, played by David Courtney. The Headmaster was played by Harry Sinclair. Dawn Holland played the boy's mother, who spends most of her time on the telephone. John McCartie and Catherine Garret took the parts of dinner guests. Kerry Wyatt played the schoolboy's girlfriend, who goes off with Bruce Fowler, as a long-haired tough. The last scene is within a church, with Roger King playing a Minister.

The play was, in terms of school productions, rather unusual because, firstly, the play was not one already written, but entirely concected out of the minds of school pupils. Scott Colhoun's band, which played a song between must of the scenes, also made the play rather different. It was not a musical in the ordinary sense of the word, however, because none of the actors did any singing. The script itself was not along the lines of a normal play of this length as there was no specific plot, but simply a series of events, which did not lose continuity but held the audience's attention extremely well, and also put across the intended message.

A capacity crowd filled the school hall for the two performances. The audience greatly enjoyed the play and generally it was very successful. The amount of audience participation was incredible, at some points making it difficult to tell the actors from the audience.

## "A PASSION PLAY"

Being a Medieval drama of the last hours in the life/death of Jesus Christ/ Everyman, and demonstrating the supreme clash between God, God's power through Jesus, and Evil, represented by a female Satan.

The play opens on the eve of Christ's suicide, through his disillusionment with life and himself. After cutting his wrists he descends to the outskirts of Hell to face the Devil, who tries to tempt him, in different ways, to come with 'her! Finally, Jesus overcomes Satan with the help of God and is reborn, triumphant, on the cross.

Both Medieval music and ritual were used with electronic sounds and experimental effects - lighting and dry ice.

The play, written and produced by Richard von Sturmer, lasted 20 minutes and had a small cast:

Chris Painter as Jesus John Schmidt as God Tul Sherrill as Mary Jane Daniel as Satan Minor demons - Chris Johnson, Joanne Cookson, Bruce Gilbert.

### CRUSADERS.

The Crusader Group has this year enjoyed a period of growth and stabilisation. From the outset there has been a real desire to prove God and His promise that: "If my people who are called by my name, will humble themselves and pray, and seek my face and turn from their wicked ways, then will I hear from heaven, forgive their sin and heal their land". God has been teaching us, and still is teaching us to turn our eyes full upon Jesus and praise His name. As we have learnt to give thanks to our Lord, He has begun to change us into his Likeness.

Meetings were held twice a week; on Monday lunchtimes and, in combination with the Girls<sup>1</sup> School, on Fridays from 4.00 – 5.30 p.m. This latter meeting has given greater opportunity for fellowship and teaching.

The spirit of fellowship was greatly encouraged by two camps. In the first term we went for a weekend camp to Coromandel and tramped to the summit. In August we spent a week at Little Barnier Island with some others from Rutherford High School, and the love that flowed there was ample evidence of the Holy Spirit's working. I have never tasted love so sweet.

As we have drawn further into the third term, our Father has brought us into a new area of teaching - that of faith. He has been encouraging us to use the spiritual gifts granted to us by His grace, so that He might use us to take the Good News in power to the school, and to the world. Also, what an encouragement it has been to see numerous people from the school receive Jesus as their Saviour, and to see changed lives, both amongst the young Christians, and amongst the more mature.

Finally, the group thanks Mr. Willis for his time spent in the organisation of various trips: Mr. Binnie for taking a weekly Bible study; and Mr. Hayden for his faithfulness to God in Leadership.

"Rejoice in the Lord Always"

### MUSIC, 1974.

Each year of musical activities brings forward new talent and new areas of excellence in performance and achievement. For 1974 this new area has been the emergence of the Band. This group existed in embryo form in the days of assembly singing when it numbered some fifteen players, and from that time, has grown in size and ability to the highly versatile group it now is. At present the full complement is 30 players with instruments representing all families usually found in a symphonic band.

The high point of the 1974 year was a three-day tour to schools in Northland, and during visits to Mahurangi College, Rodney College, Dargaville High School, Northland College and Otamatea High School, many friends were made. Seven performances were given and it was impressive to note the improvement in the slaying of the band as the tour progressed. 1975 presents new challenges and exciting tour prospects.

After three years of development, the Westlake Chamber Orchestra, made up of members from both Westlake schools, won its way into the final of the Secondary Schools National Chamber Music Competition. Although unplaced in the final, int group played extremely well, and the trip to Wellington was a high point in the year's activities. The Chamber Orchestra was invited to perform as guest crists at a concert given by the North Shore Youth Orchestra conducted on this accasion by Juan Matteucci, and their programme included a double Trumpet Concerto by Petronic Franceschini in which the soloists were Kevin Wood and Scott Colhoun. Several members of this group will be leaving at the end of 1974, and we wish them well in all their new endeavours.

The School Orchestra continues to develop its standard of playing, and although the string section diminished in size, several valuable woodwind players were recruited from families who had come from overseas.

The annual Arts Festival in August involved all music groups in both schools, and in addition, continued the trend of involving pupil compositions as a part of the musical activities. This year the highlights were a Sonata for Cello and Piano by Lyn Davis, and a composition for Cymbal and Electronic Tape by 6 Music, Westlake Boys High School. Geoffrey Goodwin, David Jones-Parry, Kevin Wood and Kerry Priestley.

As usual the high standard of instrumental playing is due in no small part to the services of the visiting ilinerant teachers. Our thanks go to:
Mrs. D. Smith (Violin and Viola), Mrs. Le Davis (Cello and Bass), Mr. R. Brinsden (Brass), Mr. A. Webster (Woodwind) Mr. C. Ainsworth (Flute)

Back row: C. Hawkins, G. Sergeant, D. Smith, C. Knight, B. Hogan,

N. Brown, H. Robins, R. Hogans, P. Leach.

Middle row: P. Warren, D. Wilkinson, P. Van Slyke, M. Nankivell, J. Leigh

S. Ross, S. Colhoun, M. Cvitanovich, A. James, Mr. M. Heath.

Front row: D. McGlashan, M. Nelson, C. Morris, M. Morrison, K. Wood,

M. Elliott, G. Klein, M. Robertson, D. Jones-Parry.

### LIBRARY

Thanks must go again to the boys who have helped run the library this year. Anthony Welch has been a capable and quietly efficient Head Librarian. His job is not always an easy one, and in future years perhaps greater support for the student in this position could come from other Senior Librarians. Meanwhile special thanks to those who are leaving and who have in many cases worked as librarians for four or five years.

The library has again been used this year for meetings, debates and film club showings. We welcome the painting by Garth Tupper as an addition to our collection of New Zealand art and thank the P.T.A. for buying it.

The library evening held in the third term was disappointingly attended. But those parents who came and bought books for us are thanked for their generosity.

### MR. L.E. TWEEDIE:

After 40 years of service to schools Mr. Twocedie retired in December, 1974. His teaching career involved service at Waipu District High School, Northcote College, Greymouth Technical High School, Strattford High School, prior to his appointment in July, 1958 as Deputy Principal at Westlake. Pis teaching career embraced mainly Mathematics, Physics and Science, except for a period from 1940 to 1945 when he served with the 2nd N.Z.E.F. in the Middle East and Italy with the Engineering Section in Radar and Radio work.

Characteristic of Mr. Tweedie's work was a thoroughness of approach to everything he undertook, and a wide extension of his extra-curricular work to coaching and administration of Soccer, Chess, School Cadets and in earlier years, athletics, swimming and cricket. One could say that he expected the same standards of dedication from those with whom he associated, both teachers and pupils, and if he had differences with any, they were based on his high and uncompromising personal standards.

Westlake farewelled Mr. Tweedie with a deep sense of gratitude for his long and dedicated service to the School. We wish him a long, active, and enjoyable retirement.

It was with deep regret that the staff, pupils and ex-pupils of Westlake Boys! High School received the news of the recent death of a staff member, Mr. David Soanes. Born in Christchurch in 1925, Mr. Soanes completed a BSc degree in physics and maths at Canterbury College.

He taught at Linwood High School, Christchurch, Queen Elizabeth High School, Palmerston North and Morrinsville College before he joined Westlake in 1961.

A year later he was appointed to the post of head of the mathematics and physics departments and later he took over additional and applied mathematics, retiring from his position in the maths department. He continued in these positions until his death from complications during a sudden illness.

A number of Mr. Soanes! ex-pupils have maintained their association with him over the years and would like to see a tribute paid to the man for his dedicated involvement in his work.

They feel it should be known that Mr. Soanes gave much of his spare time to developing equipment for an effective teaching system for his classes – in particular, the complete construction of the modular units for alternating current theory and transistor studies so necessary for senior school physics work and the modification of other laboratory apparatus to suit the constantly changing syllabus.

A notable feature of his teaching technique was his encouragement to students themselves to develop laboratory equipment. In this way the school obtained such apparatus as a linear air track, signal generators, strobe light, lab power supply, d.c. amplifiers, torsional pendulum and others, many of which would have been outside the normal purchasing ability of the school.

The students, working on these projects under Mr. Soanes! supervision, also benefited considerably by receiving a thorough grounding in the subject. Associated with this practical work, Mr. Soanes spent a great deal of his time preparing effective classroom aids such as overhead projector transparencies and problem worked examples.

The effectiveness of Mr. Soanes! teaching methods has been demonstrated by the successful performance in external examinations and later at university of many of his pupils.

The enthusiasm Mr. Soanes displayed at school carried over to his private life where he was active in the sport of fencing (he had represented two provinces in the national championships and was responsible for introducing the sport to Westlake) Chess (he was in charge of the chess club at Westlake) and badminton (in which he had also been active at school)

In addition to these sparetime activities, he cultivated at his home in Sunset Road, a first class landscape garden on a formenty clay area which would be the envy of many horticulturalists.

As a mark of respect to Mr. Soanes, Westlake Boys High School will establish a memorial fund in his honour, the proceeds of which will be used to buy physics prizes for school students. Ex-pupils and friends of Mr. Soanes are invited to support this fund with donations.
